Buy a Brick & leave a legacy

Help the Friends of Catalina State Park with its mission of promoting, improving, and preserving Catalina State Park for present and future generations. With a donation of an engraved brick placed on the new **Bobcat Amphitheater** stage or at the **trailhead stage**, you can help Friends of Catalina State Park provide funds for needed projects. Our current projects include: completion of the Amphitheater, supporting the Catalina Nature Program, Buffelgrass removal, park improvement projects and supporting the staff and volunteers in everyday operations. Your help is greatly appreciated!

Donor Information

Name: _____
Address: _____
City, State: _____ Zip code: _____
Email Address: _____
Phone Number: (___)_____
Donation Amount: $ _____

Your donation entitles you to a Friends membership. Members receive our newsletter, park updates and news of upcoming events. Also your voice as a member helps protect the park.
